HYL 1R Sharpy

The 1R Sharpy is a compact yet powerful beam light perfect for indoor and compact venues. Despite its small size, this fixture is a true powerhouse, featuring a 1R lamp with an impressive lamp delivering 3200 lumens of luminous flux, creating stunning brightness for captivating lighting displays.

The 1R Sharpy offers seamless remote on/off control via DMX and smooth movement with auto repositioning. With 14+ interchangeable colors and gobos, including a bidirectional rainbow effect, and the 14-channel DMX control, full range 0-100% dimmer, various strobe options, and display flip and X/Y reverse features. you can create captivating visual effects and enhance your lighting design.

With its heat pipe cooling system and fan speed auto-adjustment based on temperature, the SSL 1R Mini Beam remains stable and reliable even during extended use. Elevate your indoor lighting experience with the power, versatility, and innovation of the SSL's 1R Sharpy.
