SSL Aura LED Wash

The SSL Aura, a powerful and versatile lighting fixture that delivers stunning effects for any stage or event. With 19 high-brightness RGBW 4-in-1 LED main lights and 30 RGB 3-in-1 LED backlight lights, the Aura offers exceptional performance with low power consumption.

The beam angle is adjustable from 8 to 50 degrees, providing flexibility in light distribution. Experience seamless color blending with RGBW and precise dimming from 0 to 100% using the linear dimming system. The SSL Aura's 540-degree PAN movement and 270-degree Tilt movement, both with 16-bit rotation, allow for precise positioning and smooth motion.

Unleash your creativity with built-in pre-programs and macro effects. The SSL Aura's portable design and backlight LED function make it perfect for various lighting applications. Experience unmatched performance and versatility with the SSL Aura, elevating your lighting experience to new heights.

Technical Specifications

Specification	Details
Specification	Details
Main LED	19pcs 15W high brightness RGBW 4-in-1 LED
Backlight LED	30pcs 0.18W RGB 3-in-1 LED
LED Working lifetime	Average 50,000 hours with low power consumption
Channel	14/25 two channel
Control	DMX512/Master-slave/Auto/Sound
Strobe	1-25 times/second
PAN	540 degrees with 16bit rotate
Tilt	270 degrees with 16bit rotate
Beam angle	8-50 degrees
Color	RGBW infinite mixture
Dimmer	0-100% linear dimming system
Display	LCD display
Protection	Auto temperature control system with big cooling fan
PAN/TILT movement	Quiet, smooth, and fast
Cooling system	Low noise and efficient FAN cooling system
Built-in pre-programs	With macro effects
Protection rating	IP20
DMX input/output	3-Pin XLR
Function	LED shutter, scan position memory, auto reposition
Backlight LED function	With backlight LED for perfect eye-candy effects use
Net Weight	7.7 Kg
Gross Weight	9.5 Kg
